

REPLACEMENT CPAP UNIT & SUPPLY CHECKLIST— NEW PROVIDER

Mahalo for choosing Gammie Homecare as your CPAP supplier. Please use the following checklist below to guide you through the steps for receiving your CPAP unit and supplies. This process applies to customers who received their original unit and supplies from a provider other than Gammie Homecare.

1

Most recent sleep study report

2

Face to face evaluation with your doctor, prior to the original sleep study

3

A new prescription for the CPAP unit with pressure settings

4

Current face to face chart notes from your doctor

Notes must include the following:

- That you are still using and benefitting from your CPAP machine
- That you still need your CPAP machine
- That you have a diagnosis of Obstructive Sleep Apnea (OSA)

5

Make, model, serial number and provider of CPAP unit, along with the insurance name and date of rental or purchase

**We will send in a payment determination or insurance authorization request if required

**It is the patient's responsibility to obtain the documentation from the various physician(s) and/or suppliers. If you have any questions about this process, please feel free to contact Gammie Homecare at (808)877-4032.
